

# Gemma di Luna

## Gemma di Luna Sparkling Moscato

Gemma di Luna is a premium Italian sparkling wine created to elevate the Moscato experience. The wine is crafted from premium Moscato grapes and is crafted in a fully sparkling (spumante) style to provide a fuller effervescence than the gentle frizzante typical of Moscato. The combination of Sparkling Moscato, an evocative brands name and distinctive blue bottle come together to create a wine which speaks directly to the modern drinker.

### Wine Notes

A fun, refreshing bubbly with a generous fluffy mousse. It opens with sweet aromas of candied rose petals and peach gummies, giving way to plenty of grapey Moscato character with perfectly balanced crisp acidity. An unfussy wine perfect for patio sipping.
