Wine Notes

VOGA Italia Pinot Grigio Friuli Grave takes its name from the gravel in the soil that characterizes the northeastern Friuli area. The gravel forces the roots to reach deep in the earth in search of water. As the vines struggle for water the fruit grows richer and the resulting wines are fuller and structured with extraordinary minerality. VOGA Pinot Grigio Friuli Grave with its white fruit aromas, balanced bright acidity and fresh crisp nature reveals the finesse typical of Friuli Grave wines; a beautiful expression of the Pinot Grigio grape.

Menu Pairings

Delicious sipped on its own, VOGA Pinot Grigio Friuli Grave is extremely versatile. The wine pairs well with seafood, white meats and soft cheeses, and has the structure to stand up to rich, creamy pastas and full-flavored dishes. For sushi lovers, VOGA Pinot Grigio Friuli Grave is a flawless match.
