SHOOT IT ZAMACA STRAIGHT UP

Pour ZAMACA Premium Maca Liqueur into a cocktail shaker filled with ice. Shake to chill and strain into a shot glass. The coolest way to Feel the Fuego. Try it with an orange wedge chaser.

MIX IT Z-N-T

Combine 1 — 3 parts ZAMACA Premium Maca Liqueur and 3 parts Tonic over ice in a rocks or highball glass. Stir gently and garnish with a lime wedge. Stimulatingly refreshing. Also delicious with Soda substituted for Tonic.

SIP IT ZAMACA ROCKS

Pour ZAMACA Premium Maca Liqueur into a rocks glass with ice cubes. Sophisticated sensuality.
